

World Backgammon Federation

OFFICIAL CERTIFICATION

The World Backgammon Federation (WBGF) certifies it has conducted due diligence research into the code used by the Lord of the Board (LOTB) and concludes that the random dice generator used by Beach Bum Ltd. for LOTB is a suitably strong algorithm for generation of Backgammon dice.

This certification is valid until May 31st, 2028.

A handwritten signature in blue ink, appearing to read 'Bernhard Mayr', written in a cursive style.

Bernhard Mayr, President
