

World Backgammon Federation

OFFICIAL CERTIFICATION

The World Backgammon Federation (WBGF) certifies it has conducted due diligence research into the code used by Backgammon Plus and concludes that the random dice generator used by Zynga for Backgammon Plus is a suitably strong algorithm for generation of Backgammon dice.

This certification is valid until April 30th, 2028.

A handwritten signature in blue ink, appearing to read "Bernhard Mayr".

Bernhard Mayr, President
